Nato reši nalogo v modrem kvadratu in tvori 5 pravilnih stavkov ter jih zapiši v zvezek.

Zgodba govori o siru Sidneyu in lady Jane. Ker se je ta odvijala pred 600 leti, gre za dogodke, ki so se zgodili v preteklosti in se ne ponavljajo.

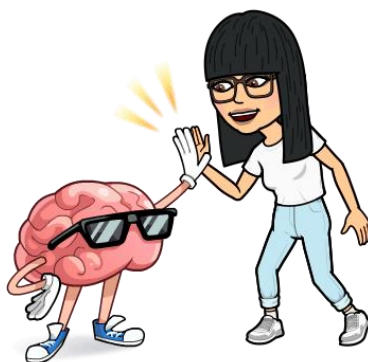

Spoznali smo, kdaj se tvori glagol BITI v pretekliku (was, were).

Past simple pri ostalih glagolih (pravilnih) tvorimo tako, da dodamo končnico **-ed**.

Gre torej za dejanja, ki so se zgodila v preteklosti in se zaključila.

live – lived (živel/a)
love – loved (ljubil/a oz. imel/a rad/a)
play – played (igral/a)
like – liked (bilo všeč)
have – had (imel/a)

Tudi to prepisi v zvezek.
